

Zespół Szkolno – Przedszkolny in Lipie / Poland

Zespół Szkolno – Przedszkolny is a Polish school in a small village Lipie. Lipie is located in Silesia district. The school is about 34 kilometres from Częstochowa. The school consists of a primary school and a nursery school. There are 300 students: 225 in primary school and 75 pupils in nursery school. They are taught by 34 teachers. Pupils are taught Polish language, maths, history, science, music, art, English, German, geography, biology, chemistry, physics and PE. Nursery school starts at the age of 3 or 4 and pupils stay there for three years. Then, there is lower primary school where pupils are 7-10 years old. Later, they start upper primary school. At the age of 15 students finish primary school. They need to take final exams in Polish, English, maths and science.
