

Romania, which celebrated its 100 anniversary in December 2018, is situated in Central Europe, with gorgeous landscapes in the Carpathian Mountains, the unique Danube Delta. Botosani county is well known for the greatest poet Mihai Eminescu, the composer George Enescu, the historian Nicolae Iorga and the painter Stefan Luchian, born here. Școala Gimnazială Nr.10 Botoșani is a secondary school situated in Botoșani city centre with about 900 pre-school to secondary school children, from the school district, the villages near Botosani City, abroad and returned home from different EU countries. Students study three foreign languages: English, French and German. Our school became prestigious in Botosani City through the pupil-centred good quality education, creating an open, tolerant, stimulating and creative study environment. Awarded the European School title, twice at national level, in 2014 and 2017, it promotes European values such as: language diversity, inter-cultural dialogue, equal opportunities in education, open-mindedness, tolerance, innovation.
